

Letter of Consent to Discharge for 'Deemed' trade waste customers

A 'deemed' trade waste customer is permitted to discharge trade waste into a City West Water sewer in accordance with the following conditions:

1. To allow inspection

Deemed trade waste customers must allow a City West Water representative to access the premises at any reasonable time (and during or after an emergency as determined by a City West Water representative) to:

- i. measure trade waste flows; or
- ii. take trade waste samples; or
- iii. inspect fittings and activities

2. To comply with other terms and standards of acceptance criteria

Deemed trade waste customers must comply with the approved acceptance criteria for Discharge to the Sewerage System and the Deemed Trade Waste Customer publication as documented on our website at: citywestwater.com.au/documents/approved_acceptance_criteria.pdf

3. To comply with laws and other requirements

Deemed trade waste customers must comply with the Water Act 1989, and relevant Regulations and Codes made under that Act.
